Summary

Please provide a brief summary of all regulatory changes, including the rationale behind such changes. Alert the reader to all substantive matters or changes. If applicable, generally describe the existing regulation.

Section 11VAC10-50-290 of the Virginia Racing Commission's (VRC) regulations contains a fee schedule for permit holders that was amended on January 1, 2010. This out-dated fee schedule is simply being removed from this section as the correct schedule already appears in Chapter 60 of the Commission's regulations. The VRC was unaware that the fee schedule for permit holders was included in both chapters when it was amended earlier this year.

Statement of final agency action

Please provide a statement of the final action taken by the agency including (1) the date the action was taken, (2) the name of the agency taking the action, and (3) the title of the regulation.

The Virginia Racing Commission voted to adopt these amendments to 11VAC10-50-290 (Other persons qualified to assist racing officials) as final on August 24, 2010 at its regular monthly meeting.
